ISSUE #11

From the Board

Sunday, October 24th is the annual Appreciation Party. We, your Board of Governors, are your hosts, and we will be working hard as our way to say, "Thank you!!" to those members who have contributed their time to the Club during the past season. The party is by invitation only.

Men's and Women's Championship

Peter Capitain

The 27th Championship One-Design Races were held at the BYC on Saturday, September 18. Competing were two women's teams and four men's teams.

The two women's teams were Taryn Birkmire/Maria Parascandola/Barbara Schaefer and Trudi Guarino/Calli O'Connell/Toni Sicignano. Two races were run, and the outcome of the second race wasn't decided until the last leg. Team Taryn/Maria/Barbara is our Women's Champion Team.

The lead in the Men's Championship was held by team David Hyer/John Schroeder/Dave Hyer throughout the series. A close Second Place went to team Carl Galian/Tom Devine/John Gleason, Third Place to team Larry Schaefer/Chris Sicignano/Barbara Schaefer, and Fourth Place to team Dave Johnson/Taryn Birkmire/Maria Parascandola.

WOMEN'S CHAMPIONS – SKIPPER TARYN BIRKMIRE AND CREW MARIA PARASCANDOLA AND BARBARA SCHAEFER

The two winning teams from this event have the opportunity to challenge other clubs next year in the annual GSBYRA ladder events. The winner of the ladder event goes on to the US Sailing Area-B semi-finals, and that winner goes on to the Nationals. This year, a BYC team, David Hyer, Greg Schneller and Dave Hyer, made it to the Nationals to compete with the best sailors in the country. They raced in Sheboygan, Wisconsin last weekend and finished 5th in a field of 9. Congratulations

Richard Tesoro was on hand on the floating dock committee boat to photograph the Men's and Women's Championship, so be sure to look at his photos on the website.

A thank you goes out to Stephen Biase for replacing the electrical outlets along the west side dock area. After many years of use they do wear out and tend to not work properly. Your help is appreciated in helping avoid any electrical problems with the connections to the boats.

From the Secretary

Barbara Schaefer

The Annual Meeting will be held on Wednesday, October 13th at 8:00pm in the Clubhouse. The meeting is formal in nature and its purpose is to hear committee reports on activities for the past year, to take and tally votes for the election of the Board of Governors for the 2011 season, elect the Nominating Committee for the 2011 season and to take and tally votes on the proposed change to the Constitution.

Don't forget that we have our own Lands End Store! You can order lots of items with the BYC Burgee embroidered on them. Check it out at: http://ocs.landsend.com/cd/frontdoor?store_name=byc&store_type=3. You can also get there from our website under Neat Links/Apparel.

Sailing

Joe Mullé

Jr. Sailing has pretty much wrapped up, but there are a few more items we need to care take of. In early November, we will be moving & flipping the Club boats for the winter, running the ice eater lines, moving the floating docks and pulling out the fender boards. We will need help. This is weather dependant so please watch for a last minute email blast with details. We usually start early morning and have it all completed in 2-3 hours. Many hands will make this work go quickly.

Please remember to remove all boats, trailers, kayaks, etc from the boatyard no later than the weekend of November 14th. Your cooperation is appreciated.

Finally the BYC Frostbiting season begins Friday November 26th, yes the day after Thanksgiving. What better way to burn off those calories from turkey day. Frostbiting details will be posted on the BYC website late October.
